Here are some updates and reminders for the week of November 11...

## Remembrance Day

Every year, we take time on Remembrance Day to reflect on the brave men and women who have served to protect our freedoms. Today, our school will be participating in a Remembrance Day

assembly to honor their sacrifices, and we will observe two minutes of silence as part of our ceremony. Please take the time to discuss Remembrance Day with your child/children

## **CHASA Meeting**

Join us for our monthly Home and School meeting via Zoom at 8:00pm. This is a great opportunity to learn how you can help with fundraising initiatives and school-wide activities. We look forward to seeing you there!

## **Laval Rockets Visit**

Special thanks to George Kamvosoulis for entering us into the contest! The Laval Rockets organization was fantastic – they discussed the importance of reading, read the school story, donated books to our library, and gave each student a signed bookmark. Cycle 3 students even had the chance to play floor hockey with players and Cosmo the mascot! What a wonderful experience for all.

## **Lost and Found**

Please label all of your child's belongings. Every year, too many items go missing, and labels can help us return them to the right owner.

## **Parent-Teacher Interviews and IEP Reviews**

November 21 is reserved for Parent-Teacher Interviews. Teachers will be sending out invitations to book an appointment. Report cards will be available on the portal by November 20 – please review them beforehand, and bring any questions you may have to your interview.

## **Free Speech and Language Workshop**

Our speech pathologist, Gail Jaffe, along with her colleagues, is offering a free workshop on Tuesday night at Crestview for all parents. The Governing Board has approved funding for babysitting services, so please sign up and take advantage of this opportunity to learn from our professionals. See the attached flyer for more information.

## Santa Photos and Holiday Market

Join us for Santa photos in the comfort of our own gymnasium this Sunday, along with a holiday market. Don't forget to reserve your spot for this festive event!

## Generous Donations

On behalf of the entire Crestview community, I would like to express our heartfelt gratitude to Alexandria Pharmaceutical company on Armand Frappier for their generous donation of new furniture. The new chairs, tables, file cabinets, and other essential items have transformed our staff room and classrooms into a comfortable and welcoming space for our team.

They have truly brightened our working environment and positively impacted our daily routines. We are immensely grateful for your generosity and commitment to our school's well-being.

Thank you once again for your invaluable contribution.
