

Crestview at a Glance...

We hope that you had a wonderful weekend.

Warmer weather is on its way ...

Here are a few updates and reminders for the week of March 31, 2025

Comedy Night

- Heartfelt gratitude to CHASA and the incredible families and friends who supported our annual comedy night throughout the six years.
- This year, we had a packed house! Your unwavering support shines brightly.
- Thank you for standing with us as we strive to improve our educational system.
- Together, our strength knows no bounds.
- AC units starting school year 2025-2026 (cost of a split unit is 8-10 thousand. We will start with 2 units for next year 😊) [click here](#)

April is Autism Awareness/Acceptance Month

Autism falls under the umbrella term "neurodiversity", but so do many other diagnoses that we are familiar with here at Crestview. Some of these include ADHD, Down Syndrome, Dyslexia, Dyspraxia, Dyscalculia, and Tourette's syndrome, among others. It is a

wonderful opportunity to remind everyone that we are unique, and that awareness is just the first step!

To celebrate our diversity, we are proposing the following fun activities:

Wednesday April 2nd: Neurodiverse Wednesday

Magnificent Minds:

- Celebrate the beauty in the diverse spectrum of the human mind by wearing Rainbow Colours or tie dye clothing!

Wednesday April 9th: Magnificent Minds -Wild Hair Day!

- Neurodivergent individuals have brains that may work differently than those who are not diagnosed with a neurological difference. This can include autistic individuals, those with ADHD, dyslexia, dyspraxia, and more. Let's celebrate how wonderful it is to have minds that all work in their own unique ways by wearing a fun hat and/or wild hair today!

Wednesday April 16th What's Your Passion?:

Wear something to show the world what you are passionate about!

- Many neurodivergent individuals show incredibly focused passions for topics of special interest. What are you passionate about? Star Wars, Roblox, Ancient Greece, Hip Hop, Lego, Coding, Unicorns, Fried Chicken?

Wednesday April 24th Sensory Superstars:

Wear your favorite comfy clothes day!

- Many neurodivergent individuals may have a variety of sensory sensitivities. Dress up in your most comfy clothes (or PJs) and add sunglasses if you like!
